# PAC

Dear Semiahmoo Secondary Friends & Families,

Welcome back! Every year the PAC distributes funds from the provincial government. The funds are used to help cover the cost of student extracurricular activities. With the cost of everything going up, but our funds essentially frozen, we're receiving more requests than we can fulfill.

In our most recent budget, we provided funding to the Athletics department, the music program, Modern Languages, a book club, Girls Gab, the Yearbook Club, the Writing Club and many other student groups and activities. Because we try to spread out the funds to benefit as many students as possible, we could not provide many groups with the whole amount they asked for.

We're about \$10,000 short to support all of these activities fully. We'd like to offer the parents and our community the chance to contribute to these great activities through a direct donation. Direct donation fundraisers are the easiest and most effective way to raise funds.

While any amount you can afford will be welcomed, the Surrey School District will issue charitable donation tax receipts for donations over \$20.00.

If you choose to make a donation, we accept cash or cheques payable to **School District 36 (Surrey)** with "PAC – Fundraiser " in the memo line. Kindly return this letter and your donation to the school office.
